T L "Mutt" Brooks was an esteemed Angora Goat producer in the Frio Canyon during the 20th Century. His love of Angoras was passed down to his children and grandchildren. The TL "Mutt" Brooks Award was presented at the Real Count Junior Livestock Show up until 2004 when Angora Goats began to decline in popularity as a fair project. The rotating plaque was presented to a youth Angora Goat breeder who exhibited qualities like herdsmanship, showmanship, and leadership. It is great that they were exhibited in 2024-2025.
